Why Bifold?

Our bi-fold range has a modern Continental feel that is designed to add a stylish finish to the doors in your living area.

The door is available in a wide range of styles and panel finishes, with panel styles and finishes to fit any decor. If you are not tied to the traditional then a bi-fold door could well be the answer to your needs.

System benefits:

- Custom-made to fit your recess.
- Simple yet elegant design.
- Available fitted or to fit yourself.
- Finger-light control.
- Requires no floor-track.
- Wide range of wood colours.
- Light and smooth operation.
- Ideal for conservatories.

The Bifold system is ideally suited to homes and small offices as well as community areas where cost-effective but attractive finish is required.

Product Features:

Suitable for recesses from 600 mm to 2400 mm.

A more solid effect when closed.

No floor-track required - ensuring ultra-smooth operation.

Tough yet elegant natural wood construction with veneer overlay.

A wide range of glazing and vision panel options (see below).

Ideal for wheelchair users.

Inglese

Clear, frosted or 'Cincilla' effect glass with Georgian-style solid wood grid.

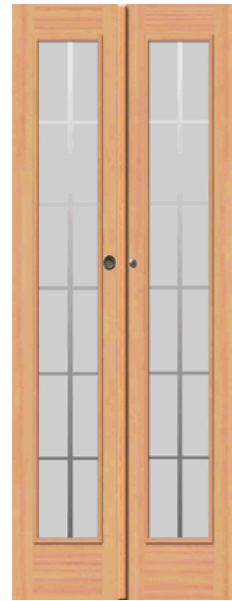

Grigliato

White translucent glass panel with solid wooden 'grill' overlay effect.

Inglese

Italice style panel with a variety of glass insert options.

Inglese temperato

Italice panel with channel-bevelled glass details.

Classica

Glazed upper panel with wood infills. Ideal for higher traffic areas or where pets are present.

Italice Legno

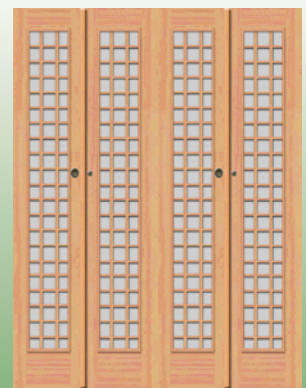

Veneered wood panel with an elegant beaded panel detail.

Piana

Plain veneered panel in a selection of colours.

THE SPAZIO BIFOLD PANEL SYSTEM

The bifold style offers a more solid finish, whilst conserving valuable space in your home. This system is offered in a wide variety of panel styles and finishes to match your decor and is constructed from the finest materials to ensure years of dependable service.

Bifold doors are available in widths from 650mm to 2400mm. Larger widths require either a slave door as shown top left of this box, or a double configuration as shown top right.
